# HOWARD UNIVERSITY

**Office of the Senior Vice President for Research**

March 28, 2024

Dear Howard University Community,

The Office of Research will host **HU Research Month (April 1- 30, 2024** ). During Research Month, Howard University will celebrate and honor the tremendous research that is conducted by our faculty, students, and research staff. In addition, the expansion to a full month better enables the Howard community to thank our external institutional partners who support HU research as many of these partners will be on the Howard campus throughout the month of April.

Key events of *HU Research Month* will include the following:

## The Opening Event

- ✓ *Office of Research, HU Research Month Opening Ceremony and Luncheon* on April 1.

## Our Partner Events

- ✓ From The U.S. Airforce, *Airforce Work Project (AFWERX) Seminar* on April 9.
- ✓ The *Center for Applied Data Science and Analytics (CASDA) Inaugural Symposium on* April 10.
- ✓ From HU Cancer Center, *The Cancer Health Equity Scientific Symposium* on April 11.
- ✓ The *Computing for Social Good Symposium with Dr. Juan Gilbert* on April 11.
- ✓ The *Springer Nature Worktop* on April 15.
- ✓ The *Dow Howard Climate Summit* on April 22.
- ✓ The *Battelle Research Seminar* on April 22.
- ✓ The *Robotics, Artificial Intelligence (AI) & Community Research Symposium* on April 24.
- ✓ The *Brookhaven National Laboratory Seminar* on April 25.
- ✓ The *Howard University Undergraduate Research Journal (Ukweli) Awards Ceremony* on April 26.
- ✓ From DOE, *STEM Research Training Opportunities at Department of Energy National Labs* on April 26.

## The Signature Event

- ✓ The widely acclaimed *Research Symposium* will be on April 25 – 26. This signature event brings together students, faculty, and research staff in the Interdisciplinary Research Building (IRB) to discuss their research findings with members of the Howard community, external constituents, and supporters from various federal and local agencies as well as representatives of the philanthropic and higher education community.

## The Closing Event

- ✓ The *IBM HBCU Quantum Center Symposium* on April 29 and 30.

Please mark your calendars and save the dates for the events listed above!

Sincerely,

Bruce A. Jones, Ph.D.
Professor and Vice President for Research
